United
Healthcare

Relevant and personalized homepage

The image shows a laptop displaying the United Healthcare homepage. The page layout includes a header with the United Healthcare logo and a language toggle set to 'ENGLISH'. The main content area features a large banner with the heading 'Sign in for a personalized view of your benefits' and a sub-headline 'Easy access to plan information anytime anywhere. Get the most out of your coverage.' Below this, there are two columns: 'Returning Member?' with a 'Sign In >' button and 'New Member?' with a 'Register >' button. A callout line points to these buttons with the text 'Sign in or register'. To the right of the banner is a photograph of a woman in a teal shirt looking at a smartphone. Below the banner is a grid of four service tiles, each with an icon and a title: 'Find a doctor' (stethoscope icon), 'Find a pharmacy' (Rx icon), 'Find a dentist' (dentist icon), and 'Find a vision provider' (EFP logo icon). Each tile includes a brief description and a 'Find a Provider >' link. A callout line points to the 'ENGLISH' language toggle with the text 'Language toggle'.
